President's Message

Hello everyone!

Summer is finally here after what has probably been one of the coldest winters that I've experienced in my 9 years of being an Edmontonian. It was extremely welcoming to see the huge attendance at the AGM back in April, and I thank you all for your continued support after what has been a very testing couple of years.

This year, CEMA will be reopening in-person events and I do hope you all take the time to attend as many of them as possible. I look forward to meeting you all.

Thank you and have a great Summer.

- Lee
